(1) The authorities from India, Canada (OSFI), Kenya and Maldives and, for the AMF, the US SEC, have not yet signed the MoU. They are expected to sign the MoUs soon.

*It should be noted that, in addition to the supervisory cooperation arrangements, there are other conditions that need to be satisfied in the AIFMD in order for the relevant cross-border activity to be permitted in the EU. First, the non-EU country must not be listed as a non-cooperative country or territory in the Public Statement of the FATF (<http://www.fatf-gafi.org/documents/documents/public-statement-june-2013.html>). Second, as from the date of application of the passport for non-EU AIF managers, there should be an agreement between the non-EU country and the relevant EU Member State that complies fully with the standards laid down in Article 26 of the OECD Model Tax Convention on Income and on Capital and ensures an effective exchange of information in tax matters.*
